                                    port are basically correct except the offenders race is
white not asian and theres only one offender. Offender number #1 was the only person to

tailed to accompany Senator Simon at the Executive House during his interim stay in Chicago,
meanwhile the ongoing investigation by R/D's revealed the following;

ing the table occupied by aforementioned offender and a female companion (F/Asian, 5'03,   b7C
105 lbs, brn eyes and long black hair possibly a student at University of Illinois) when
a conversation ensued. Wit[ ] mentioned that Senator Simon would be having a fund raiser
at their restaurant the following day. The offender then stated that his brother had kill-
ed someone five years ago and that he was going to shoot Paul Simon. He then unzipped his
right front pocket to display a weapon to wit[ ] The type weapon is unknown but describ-
ed by [   ] having a brown grip. The wit[ ] became frightened, left table and reported
incident to manager/wit[ ] Wit[ ] also stated she considered offender as having a mental
